

ICBA Certified

Community Bank Internal Auditor

ICBA Audit InstituteSM

Meet your bank's evolving needs, the expectations of the audit committee, and the examiners! Our curriculum will expand your knowledge of auditing and banking whether you are a veteran auditor or new to the audit function. The curriculum is designed to provide tools and step-by-step procedures to establish and maintain an effective internal audit function within a community bank.

Learning Objectives:

- Understand bank internal audit and defining the audit function.
- Learn about developing the risk model and audit universe.
- Review the audit plan.
- Design and execute the audit program with focus on:
 - Auditing Assets
 - Auditing Liabilities
 - Auditing Operations
 - Bank Information Systems and Cybersecurity

Who should attend:

- Internal audit personnel
- Operations
- Compliance officers

Offered twice annually:

- Livestream and in-person classroom settings
- Visit icba.org/seminars for dates and locations
